BOOK SYNOPSIS

Pomfret Towers, Barsetshire seat of the earls of Pomfret, was constructed, with great pomp and want of concern for creature comforts, in the once-fashionable style of Sir Gilbert Scotts St Pancras station. It makes a grand setting for a house party at which gamine Alice Barton and her brother Guy are honoured guests, mixing with the headstrong Rivers family, the tally-ho Wicklows and, most charming of all, Giles Foster, nephew and heir of the present Lord Pomfret. But whose hand will Mr Foster seek in marriage, and who will win Alices tender heart? Angela Thirkells classic 1930s comedy is lively, witty and deliciously diverting.
