BOOK SYNOPSIS

(Applause Books). To celebrate the 20th anniversary of the Reduced Shakespeare Companys classic farce, two of its original writer/performers (Daniel Singer and Jess Winfield) have thoroughly revised the show to bring it up to date for 21st-century audiences, incorporating some of the funniest material from the numerous amateur and professional productions that have been performed around the world. The cultural touchstone that is The Complete Works of William Shakespeare (abridged) was born when three inspired, charismatic comics, having honed their pass-the-hat act at Renaissance fairs, premiered their preposterous masterwork at the Edinburgh Festival Fringe in 1987. It quickly became a worldwide phenomenon, earning the title of Londons second-longest-running comedy after a decade at the Criterion Theatre. The Complete Works of William Shakespeare (abridged) is one of the worlds most frequently produced plays, and has been translated into several dozen languages. Featured are all 37 of Shakespeares plays, meant to be performed in 97 minutes, by three actors. Fast paced, witty, and physical, its full of laughter for Shakespeare lovers and haters alike.

THE COMPLETE WORKS OF WILLIAM SHAKESPEARE ABRIDGED

[REVISED] ACTORS EDITION - Are you looking for Ebook The Complete Works Of William Shakespeare Abridged [revised] Actors Edition?
