BOOK SYNOPSIS

This short survey of the rich and long history of Japan provides an overall framework from its origins to today. It presents traditions in every field of the arts and literature, political changes, economic advancements, and developments in society, commerce, and culture. Five chapters cover distinct eras: Japan's origins to the twelfth century; medieval Japan, Tokugawa Rule, modern Japan: 1853-1945, and from war's end to the new millennium. For anyone interested in the civilization of Asia and Japan.
